### Warm-up

What is one thing you would like people to remember about you after your life is over? Why?

Our relationships are the most important things in our lives and we will be remembered by how we relate to people.

Today we are going to discuss the importance of relying on Jesus to help us and give us strength in our relationships.

### Word and Application

**Read Mark 5:21-24.** Jairus knew that only Jesus could heal his daughter so he pursued him. Why do you think many people try to fix their circumstances before they turn to Jesus?

We must focus on pursuing the presence of God as the most important way to bring health to our relationships. If we are not pursuing the presence of God we cannot expect those we are in relationship with to experience God's presence.

**Read Mark 5:35.** How do you think Jairus felt the moment he heard the news that his daughter was dead?

**Read Mark 5:36.** What do you think Jairus thought when Jesus told him to not be afraid and just have faith? How do you think you would have responded in this situation?

**Mark 5:38-42.** Jesus forced the doubters out of Jairus' home before he raised his daughter back to life. How is your life impacted by the doubts of others you are in relationship with?

**Read 2 Corinthians 10:5.** How can you begin to separate yourself from harmful doubts? How will your life be different if you begin to separate yourself from the doubts and evil things that come against you?

**Read Psalm 101:3, Proverbs 18:21 and Psalm 141:3.** Our words are powerful and can bring our relationships to life, or bring destruction upon them.

How has what you learned in this discussion effect your relationships? What will you do to make a difference in your relationships this week?

## Prayer

Close in prayer by asking God to help us live our lives in a way that encourages healthy relationships, which are centered on Christ. Pray for specific prayer requests that people in your small group may have.
