

Warm-up

What have you done in your life that really gave you a sense of accomplishment? Why do you think that you were so pleased with the outcome?

The Word

Discovering our unique life experiences, passions, personalities, and spiritual giftings will contribute to understanding not only what God has made us to be, but also what God intends for us to do! The purposeful nature of God points to His desire to reveal to each of us His design for our life and ministry. He intends to use every aspect of our nature, experiences, and abilities, along with His supernatural giftings, to equip us for the work of ministry.

Toward that end, we must grow in:

1) Finding God's ministry passion for our lives.

Read Romans 12:9-11

What do you think are the essentials you need to do in order serve God's purpose for your life?

"Passion has great power. It is an intense emotion; a compelling action; a strong devotion to some object, activity or concept. Passion is the starting point of all achievement...Passion is the energy of our soul."
(John Maxwell – *The Power of Passion*)

What things have you set out to accomplish because of your passion?

2) Finding God's unique gifting for our lives.

Read 1 Corinthians 12:1-11

Why do you think God distributes spiritual gifts among people and not all to one person?

Read Ephesians 4:11-12

Why is it so important to the church that we understand what God has gifted each person for?

Spiritual gifts are given by the Holy Spirit to strengthen the body of Christ for faithful, effective ministry.

3) Utilizing God's unique gifting and passion in your life.

Read Romans 12:3-8

What should our attitude be toward doing what God has called us to do in the body of Christ? Why is this important?

The Dream Team at Church of the King will help facilitate the exercising of the gifts and passions God has given you and designed you to contribute for His Kingdom. If we are open to praying and asking God to use us as He has equipped us, we can realize the fullness and satisfaction of serving our Lord and Savior as we are called to do. Opportunities are wide and range from:

- Parking Lot Attendees
- Prayer Teams
- Greeters and Ushers
- Worship
- Coffee Servers
- Children's Ministry
- Small Group Leaders
- Many more...

In order to join the **Dream Team** please plan to attend our *Dream Team Orientation*, which takes place at 5 pm on the second Sunday of each month at the Little Creek Campus. Don't miss this opportunity to find your place of ministry!

"You may believe the common notion that God's will for your life is sealed in a mysterious time capsule somewhere, only to be found by those who attend to a greater number of seminars, prayer meetings, Sunday school classes, outreach events, camps, worship services, and conferences. Fortunately, it is more likely that God's will is revealed through His unique design of the person He made you to be."

(Bruce Bugbee – *What You Do Best In The Body Of Christ*)

Prayer

Join in prayer with one another, asking God to reveal to each person the spiritual gifts that connect with an area of service, producing a flow of inner joy, excitement, and energy.
